Join the Club

We are excited to be bringing back our sewing clubs!!

Which one should you join?

Sewing Club:

Learn the features, feet, and accessories of your machine through a year-long project! This is a great class for beginners and experienced sewers alike. Learn how and when to use different stitches, add embellishments, stabilizing techniques, applique, and so much more.

Teacher: Virginia

When: TBD

Serger Club:

Please join us on the first Saturday of every month for Serger Club! This club is for anyone interested in sergers, new owners, or those who want to brush up on their skills. You don't even have to own a serger to participate.

Some of the topics you can expect to learn in our monthly meetings include: what are sergers for and why you need one, serger anatomy, how to thread, basic stitches, decorative stitches, using specialty threads, tips and tricks, chain stitching, and troubleshooting to name a few.

Let's learn some new skills and make some new sewing buddies this year! Call to sign up today.

Teacher: Helise

When: First Saturday of the month from 1:00-2:45

Embroidery Club:

Embroidery Club is BACK! We've partnered with OESD to bring you fresh ideas and techniques that you can use with your embroidery machine every month. All designs can be uploaded directly onto a USB stick at each club meeting. AND the design used in the class is included!

Our meetings will cover a variety of topics such as free-standing lace, cardmaking, patches, split designs, quilting in the hoop, applique with and without the Brother Scan and Cut, and more!

Teacher: Jodi and Virginia

When: Third Saturday of the month from 9:30 to 11:30

And in the works:

Long Arm Club:

With enough interest, we could also have a LONGARM QUILTING CLUB! These would be skill-building exercises with free motion quilting.

Here are some helpful notes:

1. The clubs will have a monthly meeting.
2. The pricing will be: \$15 a month **or** pay for the year in advance for \$150 (two classes are free!), and if you want to sign up for 2 or more clubs in advance, each club will be \$120 for the year.
3. There will be projects/kits for these classes; they are NOT included in the cost of the club.

Sewing Club and Serger Club members will be given notice at the end of each club for next month's kit so we can order what we need in time. Embroidery Club members can buy at the end of each club meeting.

Please call the Lansing Store for more details or to get signed up today.
